(c) Adequate military measures have been put in place in the State of J and K to intercept terrorist groups attempting to infiltrate. The counter measures include surveillance of all know routes of infiltration, use of unattended ground sensors, construction of fencing, and a multi-tiered deployment of troops, which is constantly being reviewed on the basis of intelligence inputs.

Frieswal culled calves of military farms

1553. SHRIMATI SAVITA SHARDA:
SHRI LALITBHAI MEHTA:

Will the Minister of DEFENCE be pleased to state:

(a) whether a decision has been taken to provide frieswal culled calves of military farms to gaushalas through NGOs;

(b) if so, whether it is a fact that calves of the age of 14 days and below are given to Gaushala; and

(c) whether the rearing period of surplus calves of military farms of 14 days age, would be increased to at least 30 days as the calves need mother's milk till they reach the age of 90 days?

THE MINISTER OF DEFENCE (SHRI GEORGE FERNANDES): (a) No, Sir.

(b) Military Farms have a sound policy of offering culled calves to cattle breeders, local farmers, regimental/private dairies, Government/ Semi Government institutions, religious institutions, (Government registered) like Gausadan, Gaushala, Gauasharam etc. for further rearing by them.

(c) No such proposal is under consideration.

Infiltrations during Pakistani shelling

1554. SHRI SANTOSH BAGRODIA: Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that the Pakistani Army starts shelling across the LoC either to give cover fire to infiltrators across the LoC or to divert
